With heavy duty rear suspension and floor design, the Cushman® Wheelchair Package has the added reinforcements to handle wheelchair occupation with ease making it the only customized shuttle vehicle that is fully ADA compliant.

SHUTTLE™ WITH WHEELCHAIR RAMP

CUSHMAN SHUTTLE
Wheelchair Package

THE CUSHMAN® WHEELCHAIR PACKAGE

is compatible with all five of the Cushman® Shuttle™ vehicles. The package includes a handicap ramp that is easy to lift with the built-in gas spring assist. As the only fully ADA compliant personal transportation vehicle, this package is ideal for on-site vehicles that need to be accessed by all personnel and guests.

KEY FEATURES:

- Handicap ramp
- Ramp down switch prevents the vehicle from moving while in use
- Safety rail opposite side of ramp
- Kick plate on rear body
- LED illuminated ramp area
- 4 wheel hydraulic brakes and floor mounted hand park brake

OPTIONAL FEATURES:

- Hard canopy
- Acrylic windshield
- Acrylic weather enclosure
- Hi-intensity amber flashing LED lights
- Amber strobe (Class 1) on canopy
- 5 panel wink mirror
- On board charger
- Seat belts
- Wheel covers
